Dear

in the name of BusinessEurope I am writing to you with a view to arrange a virtual meeting between Vice-President Jourová and if possible after the first half of April. The issues he would like to discuss are the Commission priorities in areas of justice such as sustainable corporate governance and due diligence as well as the rollout of the European Consumer Agenda.

If the Vice-President agrees I remain of course at your disposal at any time to find a suitable slot for this exchange.

Best regards,
