**Subject:** Suggested topics of discussion for Thursday lunch

Dear [REDACTED],

I am pleased to send you a draft proposal of topics for the discussion between Henrik and [REDACTED] on Thursday at noon:

1. Feedback on IATA new structure and approaches towards EU
2. Upcoming AGM and related messages
3. Preparation of ICAO HLCC
4. SLOTS issues
5. EES/ETIAS
6. Debate around "Pay as you Fly"

We hope you find the list balanced; we are including a number of topics (particularly items 2 and 3) that if got it right you would like to discuss with us.

In order to prepare these, bilateral calls have been set up on Wednesday with [REDACTED] and [REDACTED].

In addition, to address item 2) I attach the draft speech that [REDACTED] will give to the AGM. We would give due consideration to any additional suggestions or expectations that you may like to introduce to it.

From our side, on the issues regarding slots we would like to mention the recent letter sent to Henrik together with ACI and A4E on the AMS allocation changes and the perspectives for summer 2022; on EES / ETIAS we would like to ask for an extension of the implementation delay and on Pay as you Fly explain the extremely serious consequences for the financial situation of airlines of such an approach.

We are very mindful of time limitations, so our focus for the meeting will clearly be in

strengthening ties with DG MOVE and explore additional, regular exchanges with IATA.

Do not hesitate to convey your suggestions to add, modify or remove these topics.

Hope this helps and best regards,

[REDACTED]
