Subject: RE: HSC survey on possible use of RATs for issuing recovery certificates

Dear [redacted],

I am answering the survey right now. The previous HSC Secretariat mail was lost in the sea of mails I could not read before.

You will have our feed-back in few minutes

Regards

Subject: HSC survey on possible use of RATs for issuing recovery certificates

Dear members of the Health Security Committee,
Dear colleagues,

Following the recent recommendations from ECDC on the issuance of certificates of recovery based on rapid antigen tests (RATs), discussed on 17 September in a dedicated HSC meeting, we have set up a short survey to obtain further feedback from your side.

We would be grateful if you can complete this survey, consisting of 6 related questions, by **30 September COB**.

You will find the survey here: [EUSurvey - Survey \(europa.eu\)](#)

Best regards,
HSC Secretariat
