Re: Your application for public access to documents (PAD) of 19 September 2021

Our ref.: PAD 2021/129

Dear Ms Volz,

I refer to your application for public access to documents (hereinafter, "*your PAD application*") of 19 September 2021, by means of which you requested access to the "*Draft Assessment Reports of Aminopyralid and Mandipropamid*", registered at EFSA as PAD 2021/129.

Your PAD application has been processed in accordance with [Regulation \(EC\) No 1049/2001](#) regarding public access to documents (hereinafter, "*the PAD Regulation*") and we are pleased to inform you that the documents you requested are publicly available on EFSA's website, and specifically:

- The Draft Assessment Report (DAR) for Aminopyralid is available in the OpenEFSA Portal at the following link: <https://open.efsa.europa.eu/>. You can find it by going to the "*Questions*" section and searching with the name of the active substance or the question number EFSA-Q-2009-00330. You can find all background information in relation to the peer review process of the active substance Aminopyralid, selecting "*Evidences inventory*". The DAR is available under the heading "*Final Addendum*".
- The DAR for Mandipropamid is available in the OpenEFSA Portal at the following link: <https://open.efsa.europa.eu/>. You can find it by going to the "*Questions*" section and searching with the name of the active substance or the question number EFSA-Q-2009-00328. You can find all background information in relation to the peer review process of the active substance Mandipropamid, selecting "*Evidences inventory*". The DAR is available under the heading "*Final Addendum*".

We hope you find the documents useful. Please be reminded that in line with Article 16 of the PAD Regulation, all persons reproducing, redistributing, exploiting, or making commercial use of the disclosed information are expected to adhere to the terms and conditions asserted by the copyright holder(s).

Should you require additional information or documents, you can submit a new query via the EFSA Portal at the following link: <https://connect.efsa.europa.eu/RM/s/new-ask-efsa-request>. You should select "*general question about EFSA*" in the "*Area*" in case you would like to submit a request for information and "*public access to documents*" if you want to request access to a document that EFSA holds but which is not publicly available.

Yours sincerely,
