Having examined the documents requested under the provisions of Regulation (EC) No 1049/2001 regarding public access to documents, I have come to the conclusion that the documents n.1-3 listed above may be partially disclosed.

In fact, a complete disclosure of the identified documents is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain the following personal data:

- the names/initials and contact information of Commission staff members not pertaining to the senior management;
- the names/initials and contact details of other natural persons.

Article 9(1)(b) of the Data Protection Regulation does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the legitimate interests of the data subject might be prejudiced. In your request, you do not express any particular interest to have access to these personal data nor do you put forward any arguments to establish the necessity to have the data transmitted for a specific purpose in the public interest.

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the requested documents n.1-3, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

Access is granted to minutes of a meeting with external parties (document n.1). This document was drawn up for internal use under the responsibility of the relevant service. It solely reflects the service's interpretation of the interventions made and does not set out any official position of the third parties to which the document refers. It does not reflect the position of the Commission and cannot be quoted as such.

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed to the Secretariat-General of the Commission within 15 working days upon receipt of this letter. You can submit it in one of the following ways:

**by asking for a review via your portal<sup>1</sup> account** (available only for initial requests submitted via the portal account),
