Dear Mr. Grassi,

Many thanks again for your participation yesterday at the ENTSOG Annual Conference. I am writing to you as agreed during our bilateral talk after the conference.

As already anticipated, Enagás would be interested in having a meeting with you to comment on the H2Med project and other main hydrogen-related developments. The H2Med has been publicly and officially supported by the

leaders of Portugal, Spain and France as well as by the European Commission's President.

Our CEO could come to your offices on 12 January, preferably if possible, during any of the following slots:

- in the morning at any time from 08h00 to 10h30
- any time from 12h30 to 14h30
- from 16h30 to 17h00

In none of the slots above are suitable for you, please don't hesitate to suggest alternative ones on that day and we will do our best to adjust our agendas.

This meeting would be also a follow-up of the meeting we had last April.

I look forward to hearing from you.

Thank you very much

Kind regards
