Subject: FOR REGISTRATION: Update on EastMed-Poseidon pipeline project

Dear [REDACTED],

Here again, an old email which seems not having been sent for registration by [REDACTED] since I couldn't find it in Ares.

The meeting took place on 2 February. Could you please register, so that I can link the minutes?

Many thanks in advance,

[REDACTED]

Subject: Update on EastMed-Poseidon pipeline project

Dear Helena,

Following our previous transmissions and suggestion kindly provided by Commissioner K. Simson to enter in direct contact with you, we would appreciate your availability for a meeting about the EastMed Poseidon pipeline project.

We would propose to arrange a Telco at your earliest convenience to provide you and your colleagues with last significant development outcomes and share any detailed info that you may need on the Project.

Herein below you can find my contact details.

Looking forward for your kind feedback

Thanks
Best regards
