**Subject: Your application for access to documents EASE 2023/1536**

Dear Mr Pace,

We refer to your request for access to European Commission documents registered on 08 March 2023 under the above-mentioned reference number.

You request access to:

*All documents—including but not limited to correspondence, emails, minutes, notes (hand written or electronic), audio or video recordings, verbatim reports, operational conclusions, lines to take, briefings, and presentations—related to the meeting on February 1 between Diederik Samsom and RWE AG.*

Your application concerns the following document:

- *Invitation for HoC Diederik Samsom - Dinner with wind industry\_01.02.2023*, registered on 19/04/2023, Reference Ares(2023)2762922

With regard to the document listed above, a complete disclosure of the identified documents is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain the following personal data:

- the names/initials and contact information of Commission staff members not pertaining to the senior management;
- the names/initials/handwritten signatures and contact details of other natural persons.

Article 9(1)(b) of the Data Protection Regulation does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the legitimate interests of the data subject might be prejudiced. In your request, you do not express any particular interest to have access to these personal data nor do you put forward any arguments to establish the necessity to have the data transmitted for a specific purpose in the public interest.

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the requested documents, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

Please note that documents originating from third parties are disclosed to you based on Regulation (EC) No 1049/2001. However, this disclosure is without prejudice to the rules on intellectual property, which may limit your right to reproduce or exploit the released documents without the agreement of the originator, who may hold an intellectual property right on them. The European Commission does not assume any responsibility from their reuse.

In case you would disagree with this position, you are entitled, in accordance with Article 7(2) of Regulation (EC) No 1049/2001, to submit a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed to the Secretariat-General of the Commission within 15 working days upon receipt of this letter. You can submit it in one of the following ways:
