Subject: Invitation to speak to INGE 26 January

Dear Alexandre and Gary,

I hope you had a good start of this year and a well-deserved break.

Following your Indian Chronicles revelations, the INGE political coordinators would like to invite the person in charge of this case study to share your findings and discuss India as an author of foreign interference. This would be a part of a committee meeting dedicated to different foreign actors (Iran and Saudi Arabia are the other two).

The meeting will take place on 26 January between 13.45 and 15.45. Would you be available?

Please let me know if you have further questions.

Best regards,
