

Access to water as a human right - the external dimension

Vote in the DEVE Committee - 28 February 2022

Split votes on amendments 28 and 63

Split vote on amendment 28

Paragraph 1 c (new)	28	Roose	Split vote (Greens) Part 1 Falls if CA 7 adopted <i>Highlights the importance to implement fully-fledged Human Right Impact Assessment related to the EU biofuel policy and to any agricultural and energy investment projects financed by the European Fund for Sustainable Development;</i>
			Part 2 <i>Highlights that some of the proposed climate response to address climate change may impact negatively on the universal right to water, as in the case of large-scale dams and the cultivation of food and feed crops used for biofuels;</i>
			Part 3 <i>In particular, calls for the inclusion, in the remit of the revision of the Renewable Energy Directive, of water provisions in the definition of the sustainability criteria on biofuel crops;</i>

Split vote on amendment 63

Paragraph 3 e (new)	63	Roose	Split vote (Greens) Part 1 Falls if CA 7b or CA 7c adopted <i>Highlights the potential risks of water grabbing and water pollution associated to foreign direct investments in large-scale land acquisitions for agriculture and extractive industries;</i>
			Part 2 <i>Calls on the EU and its Member States to enact water-related mandatory due diligence and reporting standards for corporations;</i>
