Dear Ms Perincek,

09:30 is fine for Commissioner Simson. Could you please tell us who would be part of the delegation? In order to have the access badges prepared, could you please give me the following information for each visitor:

- Name, surname, ID/Passport number and email address;
- Name, surname, ID/Passport number of the driver, as well as the number plate and type of car, in case the visitors would need to reach the Berlaymont by car. I would then request an access to our parking space.

I would also need to have the transparency register number of your client. Many thanks.

Best regards,

Dear [REDACTED]

Many thanks for your kind reply.

Our client would be happy to meet Commissioner Simson on 16 June. They will be leaving Brussels at around noon, so 10:00 might be a bit tight. Would it be possible to meet slightly earlier – for instance at 9:30?

Best regards,

Rüya Perincek

Dear Mr Miccinilli,

On behalf of European Commissioner Kadri Simson, we would like to thank you for your kind request. Commissioner Simson accepts it with great pleasure. The meeting could take place on 16 June at 10:00 or at 11:30.

Could you please also tell us how many participants there would be on your side? Many thanks,

Best regards,

Importance: High

Dear Commissioner Simson,

I am reaching out to kindly request a meeting on behalf of the alliance of the largest LNG producers and infrastructure owners from the United States.

This alliance called [PAGE](#) is represented by high level executives among the largest companies of the U.S. in this sector, including EQT, TC Energy and Williams. In light of the latest geopolitical developments and considering the importance of this matter, our client would like to discuss EU-U.S. cooperation on energy as well as a potential longer-term arrangement whereby U.S. LNG continues to contribute to European energy security at an affordable price, beyond next winter.

We were wondering whether you and your team would be available for an in-person meeting with the CEOs of the PAGE alliance, who will be in Brussels **between the afternoon of Wednesday 14 June and the noon of Friday 16 June**. We understand how busy agendas are these days and the importance of synchronizing schedules, and thus, the CEOs' itineraries are adaptable to accommodate your availabilities during the mentioned days. In addition to traditional meeting times, we would like to also propose early breakfast (Thursday 15 and Friday 16), lunch (Thursday 15) and short dinner (Wednesday 14 and Thursday 15) slots – we hope that these options offer flexibility and provide opportunities for a meaningful engagement.

Our team remains at your disposal to provide any further information or clarification you may require. PAGE has been working constructively and openly with decision makers across the Atlantic. CEOs are very well informed and working directly with the White House.

I am committed to addressing any questions or concerns you might have to ensure a productive and fruitful discussion during the meeting.

Thank you for your attention to this request, and we look forward to the possibility of meeting with you to enhance EU-US cooperation in the energy sector.

I sincerely appreciate your consideration and are eagerly anticipating your response.

Best regards,

Maximo Miccinilli
