The Director General was accompanied by Cristina Lobillo Borrero, Director for the Energy Platform Task Force; [REDACTED] and [REDACTED]  
[REDACTED]

The meeting allowed for the policy exchange on current global energy situation, including the energy situation in the EU, in the United States as well as the energy situation in Ukraine. Both interlocutors underlined the need for more climate-friendly investments both in their respective economies as well as internationally, including in the EU neighbourhood. They also briefly exchanged about the forthcoming meeting between President Von der Leyen and President Biden (10 March 2023), which should prominently acknowledge the achievements of the transatlantic energy cooperation, notably through the EU-US Task Force on Energy Security.
