Subject: Meeting Request - Introduction of FuelsEurope & Concawe
Importance: High

Dear Commissioner Valean,

In my capacity of [REDACTED] of FuelsEurope & Concawe, I would like to ask for a meeting with you to introduce you to the new [REDACTED] of FuelsEurope and Concawe, [REDACTED], [REDACTED]

Our members are already major European and international investors in renewable and low carbon technologies across all forms of energy, and together as an Association we have strongly supported Europe's climate goals. Our focus in the Association is on the necessary transition for the remaining needs for liquid fuels. We have worked tirelessly since the 2015 Paris Agreement to set out a comprehensive road map for our sector covering technology, investment and policy aspects.

- During this introduction, we would like to share brief highlights of the Low Carbon Pathways work of our science organisation Concawe on the industrial ecosystem for transition toward renewable fuels, to reach climate neutrality by 2050.
- We would also like to highlight FuelsEurope's proposed policy strategy to achieve this outcome, addressing together the climate, investment and social objectives.
- We can also overview how we have reflected these points in our recommendations for the Fit for 55 Package.

Can I already propose one of the following dates for this meeting:

- 29th June
- 30th June after 16.00 CET
- 1st July am
- 2nd July am
- 5th July pm
- 9th July am
- 12th July am

I hope that your busy agenda allows for a short meeting.
I am very much looking forward to your reply.

With best regards,

The European Petroleum Refiners Association (FuelsEurope) is committed to protecting your privacy. You can find information on the way we process your personal data in our [Privacy Notice](#). If you do not wish to receive communications from us or if you want to review the personal details we hold about you, please contact us at privacy@petroleumrefiners.eu
