Dear [REDACTED]

Commissioner Vălean would like to thank you for your invitation.

We regret to inform you that, due to numerous institutional commitments related to the pandemic and the current crisis in Ukraine, we are not able to foresee his participation in your events. Anyway we are confident that in the next future you will find other meeting opportunities to be brought to our attention, and we wish you all the success that you deserve for this current initiative.

Kind regards

The draft programme in preparation and to be finalised by [REDACTED] cabinet is attached (please keep it confidential for now).

The High Level Summit happens in connection with the Grand Prix de Pau: a Modern Cars racing on 6,7 & 8 May and a Classical Cars racing on 20, 21 & 22 May.

The website of the Grand Prix is : www.grandprixdepau.fr

Do you think Ms. Valean would be interested and available to attend the High Level Summit? As the discussion will include the role of renewable and low-carbon fuels in the decarbonisation of transport, it would be a great pleasure for us if she could participate.

Thanks
