Subject: Invitation for Ms. Valean

Dear Filip,
As you may know, [Redacted] [Redacted] is a [Redacted] of events worldwide.
In the framework of their initiative "Energy 4 Mobility"
<https://automechanika.messefrankfurt.com/global/en/energy4mobility.html> , they are holding
an event on mobility and low-carbon fuels on March 3rd
As you can see from attached synopsis and list of speakers the event is high level and is focused
on the EU regulatory environment. The broadcasting, moderating and technical online coverage
will take place in the premises of the Landesvertretung Hessen in Brussels.
We have recommend that they invite Ms. Valean for the opening speech. Our [Redacted]
is also on the speaker's list.

Ms. Valean will receive an invitation from Messe Frankfurt shortly: we do hope she will be able
to accept.
