Subject: RE: Request for a meeting between Mr. Virginijus SINKEVICIUS and Ms Claire WAYSAND

To the Assistant of Mr. Virginijus SINKEVICIUS:

Good morning,

As you might have heard, The Board of Directors of ENGIE, has decided not to pursue the mandate of Isabelle KOCHER as Chief Executive Officer.

The operational management of the Group will be temporary entrusted to _____ Chief Operating Officer _____ Chief Financial Officer and Claire WAYSAND, Secretary General, who will also serve as acting CEO during that period.

We confirm our interest in setting up a meeting with Mr Virginijus SINKEVICIUS or a member of his cabinet and Claire WAYSAND, Secretary General who will represent ENGIE.

May I suggest some remaining timeslots on March 19, between 14 and 5 PM ? Alternative dates would be 6 or 7 April.

I appreciate your consideration and look forward to hearing from you soon.

Yours sincerely,
