Would be great if you could come to the office – [REDACTED] can arrange it.

I could to 14.30 for 30 minutes or 17.30 both on Thursday. Either in person or over the phone.

Hi Michele, would you happen to be available this Thursday/Friday?

Would be good to catch up, and also update and provide background on some recent developments, which we could do by phone if doesn't work out in person.

Best, [REDACTED]

Yes, I think it went well. Good that we managed to set it up.
Tomorrow unfortunately does not work lunch.
Next time!

Hi Michele. Sounds like meeting was productive. Thanks for helping arrange. Glad we could finally do.

Recognize it is last minute but would you happen to have time around lunch tomorrow? Find myself with some rare free time. Let me know if could work, or we aim for another time.

Best, [REDACTED]

Thanks. Yes, we are in touch on logistics. Will share list of participants on our end as soon as we have it (likely the EVP, our Head of Cabinet, a Cab colleague following digital issues, myself and a note taker from COMP).

Noted re: publication and no, tweet and pic are not compulsory.

M.

Hi Michele, just to follow up, here's our list of participants for next Wednesday. I believe one of our admins in Brussels is arranging pre-registration details and logistics with your office for them:

Would you be able to share participants from your side once confirmed?

On the meeting publication, we're fine with that going out on Friday. Does that then necessarily trigger a photo and tweet after the meeting?
