EVP agenda is still blocked for a mission outside Brussels that week. But this is tentative and there is a fair chance that it will not happen. I would suggest to block a TENT slot between 6 and 8 June and then we see. Would that work and, if so, would you have any preference? At this stage for us, Tuesday morning, Wednesday afternoon and Thursday morning are relatively open.
M.

Hi Michele, was nice to see you even if briefly last week. Hope the weekend went well.

We're still trying to finalize itineraries for a possible June meeting for principals. I appreciate that it may not fit the norm so apologies for that, but I've been asked if we have any concrete times from your side for June 6-8 that could work? If we get some options, I have told them we need to lock on something if it can work quickly and not keep it open. Is that possible?

Happy to discuss if easier.
