

**Meeting Apple – CAB Vestager on 27 June**

Participants:

Last name* (Text format)	First name* (Text format)
██████████	██████████
██████	████
██████████	██████████
██████	██████

Cab Vestager was represented by: Liliane Karlinger and Michele Piergiovanni

- *Apple explained the challenges it faces in relation to the upcoming notification deadline for the DMA, and to the compliance with the DMA.*
- *Apple’s concerns regarding notification centred around the scope of its services that might be designated as core platform services once the notification was received by the Commission.*
- *Apple also shared its views on the challenges Apple faces in preparing for compliance with the DMA, both with respect to the user experience and with respect to its relationships with third parties.*
