Subject: Access to Documents related to gas/RED/2030 targets – GestDem  
2019/2034

Dear Madam,

We would like to follow up to your access to documents request from 1 April 2019 and the reply sent to you by the Secretariat-General of the European Commission on 3 May 2019. We would like to inform you that the documents provided by the Commission contained some personal data, which unfortunately were not expunged, as they should have been according to the General Data Protection Regulation (Regulation (EU) 2018/1725<sup>1</sup>) and to the internal rules of procedure of the Commission.

We would therefore kindly ask you to destroy the documents you originally received (both in paper and electronic form), and to refrain from using, disseminating, sharing, duplicating, printing or processing such documents and any information contained therein in any way, and from making them public. Any use or processing of the above-mentioned erroneously released version of the documents or of any information contained therein will engage your personal responsibility

You will find attached the corrected version of the documents.

We also enclose declaration, which we kindly ask you to fill in and send back to the following address:
