Dear Mr. Hurtado Coronado,

We refer to your request for access to documents, registered on 8 October 2024 under reference number 2024/5318.

You requested access to information contained in all the written and verbal correspondence, documents, drafts, informal and notes produced and/or exchanged between any of the DG Ener's officials and any of the members of the EU Delegation in Baku, with particular interest in the signature in July 2022 of a Memorandum of Understanding between Azerbaijan and the EU. Your request covers documents held from 1 February 2022 up to 8 October 2024.

On 18 November, you further clarified that you were more specifically looking for all the documentation that mentions "memorandum" and/or "gas" and/or "COP".

Following a thorough search, we have not identified any documents concerning your application. In effect, the signature event took place more than 24 months ago and internal communication messages are normally kept for a period of 6 months only.
