**Subject: Access to the Delegates Portal for the Administration of the  
Bundestag**

Ref.: E-Mail [REDACTED] of 14.03.2023

Our Ref.: E-Stab-9-510.18

Date: Berlin, 07.07.2023

Madam Secretary General,

*dear Thérèse,*

I hereby kindly request to re-establish the access to the Global Registry Account for the Administration of the German Bundestag, which grants access to the DP-L and DP-R portals.

Until recently, the Administration of the German Bundestag had at its disposal its own Global Registry Account. The Secretariat General of the Council recently deactivated this access.

We would kindly ask the Secretariat General to reactivate the Global Registry Account of the Administration of the German Bundestag thereby granting the legally required access to the DP-L and DP-R portals and enabling the Bundestag to contribute actively to the good functioning of the Union through being informed by the institutions of the Union as stipulated in article 12 TEU.

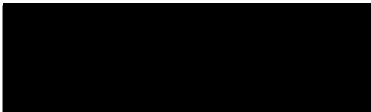

The Global Registry Account is a central tool guaranteeing the legally required inclusion and swiftness of national parliaments in the decision-making process.

The matter is of increased importance in light of the recent ruling of the German Federal Constitutional Court. In its ruling of 26 October 2022 the Federal Constitutional Court established the obligation for the Bundestag to be informed as early and comprehensively as possible, including in CFSP matters.

I therefore kindly ask you to reinstall the Global Registry Account for the Administration of the German Bundestag to both the DP-L and DP-R portals. If required, we are happy to provide further details via our Permanent Representation.

I thank you in advance for your kind support in this important matter.

Yours sincerely,
