

The President

Brussels,

Dear President Renaud-Basso,

I am pleased to invite you to the next meeting of the Global Gateway Board on Wednesday, 8 October 2025, at 18:30-20:30, in the Berlaymont building in Brussels.

The meeting will take place ahead of the Global Gateway Forum on 9-10 October and will provide an opportunity to discuss how to collectively scale up Global Gateway investments, responding to our own interests and our partners' priorities.

I would like us to assess the progress we made so far and to give a strategic direction to the next phase of implementation of Global Gateway flagships. At the start of the meeting, I will ask Commissioners Sikela, Kos and Šuica to provide an assessment for their respective regions, as basis for the Board to provide strategic orientations on the work ahead.

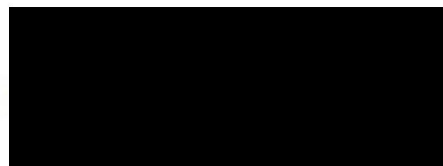

I would then like to hear your views on how we can further develop the Team Europe approach by bringing together better the European Institutions, Member States, European Financial Institutions and the European private sector.

Finally, the meeting will allow us to exchange views on the Global Gateway Forum, which starts the next day.

You will find attached the proposed agenda for our discussions.

I look forward to exchanging with you on the best way to drive forward the Global Gateway agenda.

Yours sincerely,

Ursula von der Leyen

*Ms Odile RENAUD-BASSO
President of the European Bank for Reconstruction and Development*
