## MEETING REPORT

**Subject: EFPIA US workstream meeting 19 November 2020**

[Art. 4.1 (b)] was invited to a discussion of the EFPIA US Task Force meeting. The membership was interested in the prospects of EU-US cooperation following the election of Mr Biden in the November presidential election. [Art. 4.1 (b)] outlined that the EU would strive to resolve the legacy of disputes and focus energy on positive agenda in areas as technology or regulatory cooperation. EFPIA expressed their concerns on the Executive order on essential medicines.
