Subject: Northvolt - meeting proposal Ares(2021)6681882

Dear Ms Caudet, Dear Mr Canton,

On behalf of [REDACTED], I would like to extend Northvolt's thanks to Commissioner Breton for the meeting during his visit to Stockholm on 11 October 2021. The Commissioner's interest in European battery manufacturing and new European industrial projects with sustainability as guiding principle was much appreciated.

Since the meeting, there have been new developments on one of the points that [REDACTED] raised, relating to challenges for the value chain's European establishment. Would it be possible to schedule a call between Commissioner Breton and [REDACTED] on this?

Thank you in advance for your consideration.

Best regards,

[REDACTED]
