Dear Mr Samsom, dear Helena,

First of all let me thank you again for Mr Samsom's participation in our Think2030 conference last June in Paris. I am pleased to share with you the final Barometer report including a series of recommendations on ways forwards and thematic policy briefs on important files like CBAM, nature restoration Law, fitfor55 and the sustainable food systems Law. Hoping that you will find them useful for your work.

I also wanted to take the opportunity of my email to request a meeting with you for [REDACTED] [REDACTED] to discuss further our recommendations with you. They will be in Brussels on the 8th of December and if possible we would like to organise the meeting then (morning preferably). We would very much value such an opportunity and hope that you could benefit in return from national insights from them.

Last but not least, let me also inform you that [REDACTED], who will be joining us on the 2nd of November.

Many thanks in advance for the attention you will give to my email and our request for meeting.

I stay at your disposal for any clarification question you might have.

Best regards,
