

## Meeting with European Round Table

26 January 2021

### Participants

- [REDACTED] : Air Liquide
- [REDACTED] : L'Oréal
- [REDACTED] : European Round Table

### Summary

The meeting followed a discussion between [REDACTED] and Commissioner Breton to discuss the work ERT has carried out on industrial policy.

The short phone call was used to clarify how the work of the European Round Table could usefully contribute, together with other analyses by stakeholders, to the preparation and implementation of the update of the Industrial Strategy.

The Commission clarified the need to take into account the ecosystems perspective in the analysis, and stressed the importance of supporting industry in its green and digital transition, together with ensuring resilience.
