Dear Mr. Samson,

The Industry and Climate Committee of Finland Chamber of Commerce will visit Brussels on 27<sup>th</sup> and 28<sup>th</sup> of February. Our aim is to discuss the finalization of the EU Green Deal, but also to look forward to the green transition agenda of the future commission.

We would very much appreciate if you would have the time to meet with us on either day according to your schedule to discuss ways to accelerate green growth and keep up with the net zero pathway.

Our group consists of CEO's, EVP's, and Directors from frontrunner companies in clean energy, hydrogen, batteries, carbon free steel, forestry, chemistry and other industries. Please find attached a list of members of the group.

With best regards,
