Brussels, 1 April 2022.

Dear Mr Commissioner,

We would like to introduce you the role and activities of the EU-China Business Association (EUCBA).

The EUCBA is an international association of associations in European Union countries, promoting economic and trade relations between European enterprises, institutions and their Chinese counterparts and based in Brussels.

The EUCBA organizes high-level meetings with a selected group of European and Chinese CEO's based in Europe. Both have investment in China or in Europe.

We would like to take the opportunity to invite you as honorary guest and speaker during a luncheon in Brussels in May or during a webinar. We would be very interested if it would be possible to give us an update on the economic and trade relations between China and the EU.

We would be delighted if you could accept our proposal. If you accept our proposal, we can also arrange another date according to your convenience.

We remain at your disposal for any further information you might require and look forward to receiving your reply.

We look forward to receiving your answer and remain at your disposal for any further information.

Yours sincerely,
