

I am contacting you on behalf of **Fibre Packaging Europe (FPE)** – an informal coalition of seven trade associations representing industries involved in forestry, pulp, paper, board and carton packaging production, and recycling from across Europe – to share with you our **key industry recommendations** (attached) to achieve an ambitious yet realistic review of the **Packaging and Packaging Waste Directive (PPWD)**. In this respect, FPE would like to respectfully **request a meeting** to exchange with you on this file of importance to EU circularity objectives as well as to a **key European industrial value chain**.

FPE came together to **speak with one voice on the policy issues central to the fibre-packaging value chain in the EU**. FPE supports the EU's Green Deal ambitions and welcomes the upcoming revision of the PPWD as a crucial opportunity to drive the EU circular economy. Throughout the consultation procedure, FPE has been deeply involved by carrying out comprehensive studies and providing input to the European Commission's services.

On behalf of FPE, I thank you in advance for your consideration of our industry recommendations and our meeting request.

Best regards,
