Dear [REDACTED],

Thank you very much for your reply and confirmation. We would be able to make that slot on Monday.

If it works for you I am happy to share connection details for a MS teams meeting along with the list of participants once confirmed. Please let me know if you prefer an alternative.

Looking forward to the exchange.

Dear Ms Hiesinger,

Happy New Year! I hope it's off to a good start for you and your colleagues.

I am writing you on behalf of the American Chamber of Commerce to the EU (AmCham EU) to see whether it would be possible to have a 30 minute virtual exchange with you in the coming weeks regarding aviation related matters.

As you may know, AmCham EU represents over [160 American companies](#) committed to and invested in Europe, and our [Transport, Energy & Climate Committee](#) consists of a wide range of companies including automotive manufacturers and suppliers, energy companies, chemical companies and aviation firms.

We would be delighted to meet with you to hear your priorities with regard to aviation and the action required to meet climate objectives. The meeting would be an excellent opportunity to exchange views with a small group of our members on a number of important elements in making the sector more sustainable and also touch upon some areas of our position on Sustainable Aviation which you can find [here](#).

As an initial suggestion for a time would you have any flexibility to meet the on 27 January or alternatively on a day during the week of 1 February?

Should you have any questions, please do not hesitate to contact me. Thank you in advance for your consideration and I look forward to hearing from you.

Kind regards,
