Dear Mr Anastasiadis,

With this letter I would like to thank you very much for the kind congratulations you did send me on 7 April on behalf of CLIA Europe upon my recent appointment as Director for European and International Carbon Markets within DG CLIMA of the European Commission.

I take this opportunity to welcome the commitment of CLIA to climate change mitigation in the maritime sector and I hope to have CLIA's active support for an ambitious IMO GHG emission reduction strategy with an objective for emission reduction in the sector in line with the Paris Agreement.

I would be pleased to meet you personally as proposed at a time that is appropriate for you.

Yours sincerely,

Beatriz Yordi
