Dear Véronique,
I hope you are well. Apologies again for having had to cancel the meeting last time.

M. Rémont will be in Brussels again on 27/02 in the morning and we would like to know whether it would be possible to reorganize the meeting between M. Luc Rémont and the Commissioner on that day.

Alternatively, we understand that Commissioner Simson will share a panel with M. Rémont at the EBS Climate Summit event on 30th March. Would there be an opportunity to organize a meeting on the sidelines of this event?

Thank you very much for your attention and looking forward to your reply,

I also take this opportunity to share our short position paper on market design which could be of interest to M. Vertmann,

Best regards

Splendid ! In order to have the access badges prepared, could you please send me the following information;

- Name, surname, ID card or Passport number and email address of each visitor so they will be directly notified of their registration in our system;
- Name, surname, ID card or Passport number of the driver, if any, as well as the type of car and number plate. I would then request access to our parking space accessible from the intersection/roundabout at rue Stévin/Boulevard Charlemagne.

I always advise to reach the Berlaymont reception about 10m' prior to the starting time of the meeting in order to have enough time to go through the security check and start the meeting on time.

A colleague will be at the reception to welcome Mr Rémont and accompanying persons.

Best regards,

Subject: Meeting request Kadri Simson - EDF's new CEO 1st-2nd February 2023

Dear [REDACTED],

I hope you are well.

I am reaching out with a meeting request from our new CEO of the EDF Group, Luc Rémont, to Commissioner Simson.

He will be in Brussels on 1st and 2nd February 2023. This would be an introduction meeting and the occasion to discuss the EU energy situation, the market design review, nuclear and the ongoing fit for 55 files.

Could you please let us know whether there would be options for such a meeting on those days?

Best wishes for Christmas,

Kind regards
