Dear [redacted],

On behalf of the GSMA, I am writing to follow up with our invitation to Commissioner Thierry Breton for MWC Barcelona 2023, which will take place from 27 February to 2 March.

In occasion of the meeting between Commissioner Breton and the GSMA held on 10 October, it was discussed the possibility for the Commissioner to take part at the next year event. As we started announcing the first confirmed speakers, I am writing to enquiry if his participation as a Keynote speaker at MWC has been further considered.

It would be a great honor if he would accept our invitation. It would also provide an excellent opportunity to continue the conversation with European industry [redacted] on the future of connectivity in Europe.

We remain at your disposal for any questions and/or clarifications.

We look forward to hearing from you.

Best regards,
