Brussels, 21 September 2012

Dear Commissioner Hedegaard,

The undersigned organisations are very concerned with the recent Commission proposal amending Fuel Quality Directive and Renewable Energy Directive to address the Indirect Land Use Change (iLUC) phenomenon.

Taking into account the urgency of the matter and the competitiveness of the European economy being at stake, our organisations' Presidents would like to meet with you at your earliest availability.

Our organisations will contact your team shortly to arrange for a meeting.

Kind regards,
