

Dear all,

I am re-sending the letter. There has been a mistake in the previous version of the email for which I apologize.

Best regards,  
Nusa Urbancic

Dear Commissioner Hedegaard,

Please find attached a letter sent on behalf of the environmental and development organisations regarding the proposal dealing with biofuels and indirect land use change that is currently in the inter-service consultation.

Please do not hesitate to contact me, in case you have any questions or would be interested in additional information.

Best wishes,
