The European Commission external action DGs (DG INTPA, DG NEAR, FPI) are migrating the management of their contracts to an online portal based on a register of organisations participating in EU calls for tenders or proposals. This online register will apply the "once only" principle: data related to an organisation needs to be submitted only once. In the future, this portal will be used as a communication platform for the management of your contract(s). Since you are in the process of signing a contract financed by DG INTPA, DG NEAR or FPI, it is strongly recommended to register now in the Commission's Participant register. This Participant Register will act as an entry point to the new contract management portal. By registering you will obtain a Participant

Identification Code (PIC, 9-digit number) which will act as your unique identifier. Registration is free of charge. Not registering your organisation might create technical difficulties with the migration of your contract. Not registering might negatively impact on the future management of your contract which you are about to sign.

In order to register your organisation, please follow this link: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/how-to-participate/participant-register>.

Yours sincerely,
