Subject: Response to the public access to documents request sent via email (ENISA-IN-2023-5795) on 16 January 2023, with regard to information on the National cybersecurity certification authorities.

Dear Ms. Díaz-Quirós,

In relation to your request under Regulation (EC) 1049/2001, registered on 19/01/2023, enquiring:

“Documents, any list or website that contains info on the national cybersecurity certification authorities that each Member State has designated in accordance with Article 58 of Regulation (EU) 2019/881 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL on ENISA (the European Union Agency for Cybersecurity) and on information and communications technology cybersecurity certification and repealing Regulation (EU) No 526/2013 (Cybersecurity Act).”

please be informed that the European Union Agency for Cybersecurity (ENISA) is not involved in the notification of each Member State to the Commission on the identity of the designated National Cybersecurity Certification Authority, under Article 58 (2) of the Regulation (EU) 2019/881.

Therefore, ENISA do not possess the requested documentation.

We recommend you to contact the Directorate General department related to Communications Networks, Content and Technology of the European Commission, using the following link:

We remain at your disposal for any further inquiry related to our Agency and our work.

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a Confirmatory Application that should be lodged within 15 working days of receipt of this reply by return to this email.

Yours Sincerely,

The ENISA Public Access to Documents team
