**Subject:** Follow up to meeting with Arla

Dear [redacted], [redacted], [redacted], [redacted],

I wanted to thank you again for the meeting last Friday and for the very useful discussions on the Commission's upcoming work on mandatory FOPL and the essential role dietary guidelines need to play in future nutritional labelling. [redacted] and myself very much appreciated the opportunity to present Arla's position on the topic and we look forward to continuing the positive dialogue with you in the coming months. We also very much appreciated your insights

on the upcoming framework on sustainable labelling and sustainable food systems, for which we will happily provide our contribution in the context of future public consultations.

On that note, we will also be happy to update you with our assessment of the upcoming pilots on environmental labelling that we are involved in and mentioned during our call once they are available.

I have also attached the slide we discussed on Friday for your information.

Please do not hesitate to let me know if you have any questions or need any further information at this stage.

Med venlig hilsen / Best regards
