Subject: Farm to Fork Strategy

Dear [redacted],

I hope this email finds you well. [redacted] gave me your name and said you were the person more relevant to contact regarding my enquiry.

I am writing to you to ask if you are the contact in charge of Nutrition profiles in the Farm to Fork strategy? If your remit covers other areas I would be extremely grateful if you could inform me of the correct contact for this matter.

I would also be grateful if you would be able to provide me with the names of the people in charge of **front of pack nutrition labelling** and **the maximum amount for certain nutrients**, also working in your unit.

Kind regards

[redacted]
