Subject: Letter of Global Harmonization Initiative Nutrition WG to EC
Directorate General SANTE Unit E1
Attachments: Letter of GHI NWG to EC SANTE Unit E1.pdf

Dear colleagues from the European Commission at the Directorate General SANTE,
Unit E1 Food information and composition,

Addressing the EFSA Mandate M-2021-0007 (EFSA-Q-2021-00026) “Request to the European Food Safety Authority for scientific advice on the development of harmonized mandatory front-of-pack nutrition labelling and the setting of nutrient profiles for restricting nutrition and health claims on foods”, at the recommendation of [redacted] [redacted] [redacted] – OC-2021-24748476), please find attached the **Global Harmonization Initiative Nutrition Working Group opinion on the development of harmonized mandatory front-of-pack nutrition labelling and the setting of nutrient profiles for restricting nutrition and health claims on foods.**

Please consider our Global Harmonization Initiative (GHI) Nutrition Working Group availability in move forward the issue of harmonization the global nutrition legislation.

With our best regards,

Chairs of the Global Harmonization Initiative Working Group Nutrition:
