Subject: FW: Meeting request - Nutritional Labelling Scheme

Dear [REDACTED]

My colleague [REDACTED] has informed me about your message as I am the [REDACTED] within SANTE.E1 dealing with the topic of front-of-pack nutrition labelling.

I was also informed about an earlier reply sent to you by our [REDACTED] in which [REDACTED] provided you with more information regarding the ongoing process.

Considering SONAE's experiences in the area of front-of-pack nutrition labelling, I would be happy to meet SONAE together with our [REDACTED] and our [REDACTED] to discuss their experiences and views.

Our colleague [REDACTED] will contact you shortly to try to find a suitable slot for the meeting. Please note that due to the workload and the multiple requests for meetings, we are scheduling meetings of 30 minutes.

Thanks in advance for your understanding,

Kind regards,

[REDACTED]

European Commission - Directorate-General for Health and Food Safety

Subject: Meeting request - Nutritional Labelling Scheme

Dear [REDACTED]

I am writing you on behalf of Sonae to kindly request a virtual meeting with you to discuss some of the initiatives presented under the European Commission's Farm to Fork Strategy.

Sonae is a leading Portuguese multinational company managing a diversified portfolio of business in retail, financial services and telecommunications. Sonae is the number one

private employer in Portugal, with a turnover of over €6 billion and a presence in 90 countries worldwide. The group's food retail branch, [Sonae MC](#), is the market leader in Portugal.

Sonae has a long tradition of promoting sustainable practices throughout its businesses and supply chains, and has been implementing clear, factual labelling schemes to foster consumers' information. As such, we would be very keen to **discuss with you the EU's commitment to propose a harmonized EU-wide nutritional labelling scheme**, and particularly the benefits that this measure would comport for consumers' awareness and nutrition.

Given your role within the **Food information and composition Unit** at DG SANTE, [REDACTED] - and [REDACTED], we would be delighted to schedule a meeting with you to **discuss the scope and the content of the initiative and to consider possible synergies and potential collaborations with you and the European Commission.**

We thank you in advance for sharing with us your availability.

Kind regards,

[REDACTED]

NOVE
