Subject: Kind request for a meeting with the European Snacks Association to discuss upcoming reformulation initiatives

Dear [REDACTED],

I hope you had a well-deserved relaxing summer break!

As you may know, our members are committed to support the objective of the EU Farm to Fork Strategy. This is notably reflected in our participation to the elaboration of the Code of Conduct and we look forward to contributing to other initiatives which have a direct impact on our sector such as **product reformulation and the establishment of nutrient profiles**.

We would therefore be interested in having a brief exchange with you and your team about these upcoming initiatives in order to better understand your expectations and how we can best share our input, expertise and data.

Would you be available for a meeting (either in person or via videoconference) in the coming weeks to discuss these matters?

I thank you very much in advance for your consideration and look forward to hearing from you.

In the meantime, I wish you a good start of the week!

Kind regards,

[REDACTED]
