Dear Damyana,

Thank you for your kind patience as we have been coordinating this with the offices involved.

I am happy to confirm that 26 May at 16.00 hrs works for us. Grateful if you can confirm this slot on EVPs calendar.

We are working on the next draft agenda according to our discussion, and will revert with new version shortly. Thereafter we can connect on the exact session flow and other details.

All the best,.

Thank you for the nice chat we had the other day.

While waiting for you to send me the revised agenda, I could already indicate which time slot would work for the EVP: we suggest 26 May 16h00-16h45.

Please let me know if this time would work for you.

Kind regards,

Damyana
