On behalf of Mr Antoine Colombani, Member of the Cabinet of Executive Vice-President of the European Commission, Mr Frans Timmermans:

Dear [REDACTED]

Thank you for your mail, interest and request on behalf of Aldersgate Group for a meeting with Executive Vice-President of the European Commission, Mr Frans Timmermans.

We carefully checked and explored all possible options but I am afraid that Mr Timmermans is unable to give a positive response to your request due to very heavy agenda constraints in the coming weeks and he passes his regrets for not being able to accommodate your request.

We could propose you instead a meeting/dialogue with Mr Diederik Samsom, Head of Cabinet and Mr Antoine Colombani, responsible Member of the Cabinet of the Executive Vice-President, on 1 April at 17h00, if this is suitable for you. Could you please kindly check and let us know.

Thank you in advance for your kind understanding and looking forward to your feedback.

With best regards,

[REDACTED]
*Assistant
Cabinet of Executive Vice-President Frans Timmermans*

Dear Helena

That's absolutely fine, no problem at all. More than anything, we were keen to offer our help as we know there are not many / enough progressive business voices in Brussels and keen to support the Commission's work on the Green Deal where we can.

I look forward to hearing from you.

All the best,

Dear [REDACTED],

I hope all is well with you too!

My colleague should get back to you on the meeting request soon. We receive a huge amount of letters and requests for now, which has resulted in delays in our correspondence. We sincerely apologise and count on your patience.

Thank you very much for your understanding and I look forward to continuing our exchange in circular economy in particular!

Kind regards,

Helena

Good afternoon Helena

I hope you are well?

My apologies, I copied you in my email to Mr Timmermans' office (below) but there was a typo with your address. It would be great to follow up with you regarding our letter once you have had a chance to digest it. We'd be very happy to set up a meeting at the Berlaymont with some of our business members to discuss key next steps on the European Green Deal.

All the best,
