Dear colleagues,

I have to correct myself, the visit is OK, I was confusing the [REDACTED] vessels. So no problem from our side.

Dear colleagues,

We would like to kindly ask for your support for communications activities that we would like to promote during the upcoming Christmas holidays.

Our [REDACTED], will travel to Chios at the end of November (30/11) to carry out the following activities:

- Photoshoot on the Italian Frontex deployed vessels
- Officers' testimonials: we would like to interview colleagues who will be on shift during the holiday period
- Charity event: We are planning to invite small children from the Municipal Orphanage Home to the Italian Frontex vessel, offer to them small gifts and explain our role on the island.

We will send a separate message to the Italian NFPOC.

Thank you in advance for your support, please let me know whether you need any additional information.

Kind regards,

[REDACTED]
