Dear [Redacted]

Text removed – personal data; modus operandi – law enforcement

As already mentioned in previous conversations, I kindly inform you that FX team will provide the necessary support to your visit to Chios.

Also be informed that FX team members [Redacted] raised a generous amount of money with which some gifts will be bought and offered by us to the children.

Moreover, and regarding the number of SCOs that will attend the event, we will have to ensure FX business continuity if [Redacted] is scheduled at [Redacted]. Fortunately, until now [Redacted]

If further support is needed, don't hesitate to contact me.

Thanks for your cooperation.

Kind Regards and it will be a pleasure to see you again 😊.

Subject: Xmas events in Chios

Dear [Redacted] good afternoon and have a great week!!

Text removed – personal data

Following our discussions concerning the Xmas festivities for our social media purposes, I am glad to announce you that on Thursday 1-12-2022 at 10.00 a.m, a group of 15 children aged 7-8 years old (2nd class of primary school) escorted by their teachers, are coming for a visit at our patrol boat on the harbour of Chios. To this end, and since

we are also shooting for our Xmas portfolio, I would highly appreciate it, if our personnel (as many as possible) could also be present at that time with their uniform. Gender balance, to the extend possible, will be appreciated. Two Santa Clauses (Greek Police Officers, male and female , volunteers) are going to be present. I will bring and all of us will distribute small gifs to the kids (Xmas box with lollipops, candy's and chocolates) as well as FRONTEX pens. The Boat Commander and you, will (if you please) welcome the children. We will explain to them what is our role at the island, what is Frontex doing and the role of the European Union safeguarding Europe's external borders. Finally, as we have discussed, we need the two testimonials of our personnel working on Xmas day! For that, I am at your disposal to help conclude it on the spot!

Kind regards,
