5. Endocrine Disruptors (EDs)

- CE referred to the motion against the plant protection products regulation on EDs proposed by some MEPs in the ENVI committee.
- CE enquired about the strategy on EDs announced by COM in July 2017 and about the scenarios envisaged if the plant protection products regulation is opposed. [REDACTED] explained that for the moment these points are still under discussion.
- CE welcomed the presentations made by former SCCS members at the conference on EDs in the EP on the previous day.
