Thanks, Joan. While some topics were covered in the discussion with Eleonora, there was no mention of mutual environmental ambitions, our approach to the EU's net zero industrial ambition and/or details about European supply chain. I think it would be worth having a conversation on this.

Thanks for letting me know if helpful.

Best wishes,

Dear [REDACTED],

Thank you for your message.

I believe all topics to be discussed have been covered in your prep call with Eleonora, so, unless there is anything urgent you would like to inform me about, I would say we can do without a prep meeting. But of course, if I missed something important, feel free to write me a few lines about it.

Best regards,

Joan

Dear Joan,

As you may know, Apple's CEO will meet with Commissioner Breton next week. Two of my colleagues already had a brief discussion with your fellow cabinet team member Eleonora Ocello about the meeting's potential content.

Environmental policy would also be top of mind for Tim during his visit to Europe next week. Given this, would you have time to connect before next week please, perhaps over Webex if easier? I look forward to your response.

Thank you and best wishes,
