Summary

[redacted] Article 4.1(a) [redacted]

Mauritius has joined the JSI (87th Member).

Detailed report

This was the second hybrid round held in Geneva, as part of co-conveners' plan to intensify the negotiations. [redacted] Article 4.1(a) [redacted] The co-conveners organised two plenary sessions and small group negotiation sessions on privacy, telecoms, cybersecurity, electronic transactions frameworks and e-invoicing, as well as tiny group meetings on open internet access, cryptography and competition/access to platforms. In addition, they scheduled a session on implementation periods, and two 'stock-taking' sessions where selected single-proponent proposals were discussed.
